Think quality...  
**Think safety...**

**Juratek have been manufacturing superior braking products for almost 20 years and is well known across Europe as a leading distributor of braking solutions for heavy commercial vehicles, trailers and buses.**

All Juratek branded products have high standards of quality, durability and in-service performance and are manufactured to their own specifications based on the original equipment design. The Juratek range of brake pads are fully certified to ECE Regulation 90 and their overall performance is fully comparable with OE grades, even in the most challenging conditions.

Juratek have found that their passenger car pads have been proven to have better noise resistance in comparison to other industry leading pads, which means fewer pad returns!

**...think Juratek**
